

SALLY'S PECAN COFFEE RING

2 tubes of Pillsbury Original Crescent Rolls

1 stick butter(1/2 cup)

1 cup packed light brown sugar

1/2 cup chopped pecans

2 Tbsp water

Preheat oven to 350 degrees. Grease bundt pan well. Melt butter in small saucepan. Pour 2Tbsp. of melted butter in the bottom of the bundt pan and sprinkle a few of the chopped pecans over the butter. Add remaining ingredients to melted butter in saucepan and stir over low heat to make a sauce. Take the tube of rolls out of each can and cut each whole tube into 8 segments(16total). For the 1st layer unwrap each of the 8 segments one by one and wrap each one around the center of the bundt pan outward in concentric circles. Pour 1/2 the sauce over the first layer. Repeat wrapping a second layer of 8 segments around the center of the pan outward over the 1st layer so you have a 2 layered coffee ring. Pour the remaining sauce overall. Bake at 350 for 25 min. Turn out(invert) on serving plate while hot. Serves 8-10 Enjoy!
