

THE AGG NEWSLETTER

2023 - 2024

Editor Martha Woollomes

- The AGG Newsletter is a monthly newsletter sent via email to all members of the Atherton Garden Guild.
- Constant Contact was used to email each edition. Most issues consisted of eight to ten pages.
- Member input was strongly encouraged.
- All issues featured luncheon and program information on the front page as well as a calendar of events. The last page included lists of contributors, Committee Chairs, Officers, Proof Readers and member birthdays. Additionally, the last page allowed space for printing an address should mailed copies be needed.
- Photos of attendees were taken at all the Meetings and were included in every issue.
- The Newsletter was formatted in Adobe InDesign and photographs corrected in Adobe Photoshop.
- Proofers included the AGG President, the Corresponding Secretary and two member volunteers.
